

### SUPPLEMENTARY REGULATIONS

1. The M.G. Car Club (Midlands Centre) will organise a Navigational Scatter Rally on Saturday 5 June 2021. The event will be held under the General Regulations of the Motor Sport UK Ltd (incorporating the provisions of the International Sporting Code of the FIA), these Supplementary Regulations and any Instructions issued for the event.  
Motorsport UK Certificate of Exemption has been applied for.  
**The running of this event will incorporate the guidelines and procedures provided by Motorsport UK for compliance with appropriate Covid-19 safety requirements. To this end all pre-event paperwork will be issued by e-mail. Social Distancing and wearing of face masks will be monitored by the Covid Compliance Officer.**
  
2. It is open to MG Car Club Members and HRCR in any age of car a. In addition, the event will be a round of the Inter Register Club Championship and is open to pre-1963 cars entered by fully elected members of clubs comprising the Inter Register Club as listed below, and members of the VSCC and HRCR.

Alvis Register	Austin Ten Drivers Club
Crossley Register	FIAT Register
Humber Register	Riley Register
Pre-War Austin 7 Club	Sunbeam / Talbot / Darracq Register
Model A Ford Club	
Jowett Car Club	MG Car Club

All competitors (driver and passengers) must hold a MotorsportUK RS Clubman Licence which is free and can be applied for on-line if you hold a UK Passport at <https://rsclubman.motorsportuk.org/>, Club Membership Cards and Licences will be inspected at Signing-on.

3. The event will be run using the 1:50,000 series Ordnance Survey map, Landranger 149, Hereford and Leominster. A recent version of this map, plus a writing implement for marking points on the map and filling in answers to the clue-point questions. Coloured stickers (or other useful devices) for marking are up to the individual crews. A Romer, for plotting grid references onto the map, is also recommended or a metric ruler can be used. Protractor might be useful. Satnavs or Global Positioning Systems are not allowed. The penalty for their use is disqualification.
  
4. The event will start and finish at Westons Cider Mill, Much Marcle at Map Ref:149 / 649330. Arrival procedures will take place between 12.30 and 13.00pm, and any competitor not parked up by 13.30 may be deemed a non-starter. Route cards will be issued from 13.30. Cars will leave in their own time and return to finish from 17:30pm (four hours total time). Trailers and support vehicles cannot be left at this venue.

5. Navigators must plot the location of each cluepoint from the variety of navigation techniques used which give a theoretical route from the start location to the cluepoint. Do NOT attempt to drive these routes to reach the cluepoint but, after plotting all or as many cluepoints as you can, create your own route to reach those that you wish to visit. It is often safer and more efficient to travel on main roads diverting off for a short distance to the cluepoint and perhaps returning along the main road used to get there, rather than travelling cross country on narrow minor roads. Roads on the OS map shown as generally less than 4 metres wide are just that! They are single track lanes with few passing places.
6. Entrants will be required to visit a selection of locations in any order, and at each clue-point will need to answer a question related thereto. Entrants will NOT be required to visit all 20 locations, and a maximum number of answers to count towards the final score will be the first 15 completed on the answer sheet. Entrants are likely to cover 50 – 55 miles depending on their chosen route. In some instances, it will be necessary to alight from the car to find the answer.
7. This is not a drivers' competition on the public highway, the car is simply a means of travelling between clue-points. In a rural area the roads are often narrow and likely to include horse traffic. Entrants must be courteous to all other road users and driving at speed will be treated as a danger to others and likely to bring our sport into disrepute. A complaint from any member of the public or exuberant driving observed by an official of the event may result in Disqualification.
8. All entrants' cars must be road legal – properly taxed for road use with a minimum of Road Traffic Act insurance. All drivers must hold a current Driving Licence for the car entered and it is the driver's responsibility to ensure that the vehicle insurance is valid for this type of event, which has no Time Controls other than a maximum overall time to return to the start / finish venue.  
**As there will be no detail scrutineering, every driver must sign the organisers' document stating that his vehicle is in good working order and safe to use on the public highway. The event Scrutineer has authority to decline a start if he deems the condition of any competing vehicle to be unsatisfactory – the Scrutineer's decision is final and not subject to protest.**
9. Classes will be as follows:
 

Class A	Pre 1963 Vehicle Expert IRC
Class B	Pre 1963 Vehicle Novice IRC
Class C	Post 1963 Expert
Class D	Post 1963 Novice

A Novice crew is one in which no member has won a 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> Class award in any navigational event during the previous three years.

The organisers reserve the right to amalgamate classes if necessary.

Beginners on their first navigation event can copy a reduced set of clue-points from the organiser's master map and treat the event as a more relaxed treasure hunt without being eligible for a class award.

No penalty will be incurred for carrying additional passengers, but driver and navigator must be nominated on the Entry Form and all occupants must hold a Motorsport UK RS Clubman Licence.

10. Marking. There will be 20 clue-point locations to plot, and on visiting them a question to be answered on the Score Sheet provided. Each Cluepoint will carry a score of 4 points, regardless of location or difficulty.

From the time of issue of your Route Card, you will have 4 hrs to return with your completed Score Sheet. Lateness will be penalised at a rate of 3 marks for every five minutes or part thereof up to a maximum lateness of 20 minutes which will be deemed as Retirement.

(i.e. 1 to 4 mins – 3 marks; 5 to 9 mins. – 6 marks, etc)

11. Awards for the nominated navigators will be as follows :-
1. First in class (subject to 3 entries in class).
  2. Best performance in an MG (MGCC Members only)

Navigators can win only one of the above awards.

12. Officials of the meeting:

Telephone 01684 301756 or e-mail blackstocks2000@aol.com.  
Cheques should be payable to MG Car Club Midlands Centre  
Confirmation of entry will be by email.

15. Final Instructions will be e-mailed to competitors on 1st June 2021 and will include competition numbers, advance route information, procedures for the start venue and a list of entrants.

Competitors will receive e-mailed declaration forms which will include a self scrutineering statement, covid 19 health statement, and names and addresses of all passengers to be carried in the vehicle.

These documents must be signed and e-mailed back to the Clerk of the Course before 12.00 noon on Monday 31 May 2020, including any details not included or alterations from those submitted on the Entry Form.

16. Petrol can be obtained on the A449 at Ross-on-Wye or in Ledbury.

17. Refreshment availability at the start venue – lunch or evening meal – will be dependant on the Covid Regulations at the time. We shall maintain contact with entrants to advise progress on this aspect and request pre-event commitment for any food orders with payment due directly to Westons Cider Mill.
