Marshals report

No Clee Hill in 2021 so our marshals team had just the two sprints and one trial officially. Though a few of us have assisted with the running of MGCC auto Solos twice in the year.

April Sprint 12 marshals

August sprint only 5 marshals - far too many competing events/ holidays.

Very low number but still inside safe manning levels (just)

Sept Trial 10 marshals.

A good number but we would have liked a few more.

At the sprints we are still mostly relying on BMMC/BARC/BRSCC/MSVR marshals to run our events. We do have more MGCC involvement on the trails side.
