The MG Car Club Ltd Midland Centre Calendar July – December 2021

A MESSAGE FROM MIDLAND CENTRE CHAIRMAN, ROGER KING:

We have all had a very challenging 2020. So much of what we had planned fell victim to Covid cancellation and with this still a major factor setting out our programme for 2021 is, some might say, pushing optimism to the fore. However we are determined to plan ahead with a full list of events in anticipation we can get back to what we like most, driving our MGs whatever their condition, historic or modern, including electric powered! A glance of what we have in store will hopefully wet your appetite to join us, especially at one of our Natters, (where you will be assured of a warm welcome), or new for 2021, our series of Evening Super Natters at the British Motor Museum, Gaydon. (But do please check out our website for the latest updates). So make a date, go for a drive on your own or as a group, and pop into see us at any of our Centre events, to mingle, cheer on competitors, or perhaps take part. But above all else have fun.

For we are . "The Marque of Friendship".

www.mgccmidlandcentre.co.uk

NB! In view of any possible Covid restrictions during 2021, please check our website or Safety Fast notes for updates and/or phone contacts before attending.
